Two old houses with/ Land

Located in an idyllic and rural setting, these two single-story houses have the architectural style, typical of the Algarve mountains.

Comprising a main house that still has ornamental features on its facade that it will be possible to renovate, this house is attached with other similar properties, it has a patio with a stunning view.

On the other side of the street there is another old house with stone walls and a good-sized land, also with an unobstructed view of the surrounding mountains. Both houses need total reconstruction.
