Plot with project for 2 storey house, basement and pool

This is an excellent opportunity to acquire a plot of land with outline planning permission for the construction of a two-storey villa, basement and swimming pool. The plot has good access, mains services, and very good sea and country views. The plot is located in Parragil, a quiet area close to Loulé and Boliqueime.

A good option for those wanting to build and personalise their own property, without having to wait for approvals from the council and with a guaranteed building permission, removing risk and saving time and money.
