Big plot with ruin - near Albufeira

A large plot with a ruin in the centre of the land and open views of the countryside and the coast.

This property, due to its size, excellent access and proximity to the urban area, will give multiple purposes between them to build a fantastic villa overlooking the sea, because the ruin facing south is ideally implanted in the centre of land. The plot itself has a mixture of flat and gently sloping areas.

The soil is fertile and has many regional trees.
